## COMFORT STAND II 500 X 750MM - CHARCOAL

PRODUCT CODE: **COT23CHL**

**\$64.50**

Each

Comfort Stand II is a heavy duty anti-fatigue mat ideal for moderate use situations. The light leather grained patterned surface gives the Mat excellent anti-slip properties and is easy to clean, while the soft polyurethane foam formula provides a comfortable standing surface and will immediately spring back into its original shape once stood or walked on. Bevelled edges on all four sides greatly reduces the risk of trips. The foam underside allows the mat to sit steady on hard floor surfaces or low pile carpet. This mat is suitable for use in dry, medium use environments where extreme comfort and relief is needed from standing on a hard surface. This product is stocked in one standard size

- Soft polyurethane formula provides excellent relief and comfort when standing
- Light leather grain patterned surface gives mat great traction
- Non trip bevelled edges eliminate trips on mat edges
- Smooth surface is easy to clean
- Very lightweight so can be moved easily when not in use

## RIBBED ENTRANCE MAT – PEPPER

The Ribbed Mat is a popular medium duty entrance mat consisting of a polypropylene surface and a PVC Backing. The coarse fibres of the ribs in the bi-level construction assist in scraping dirt and debris from footwear and trapping it within the lower channels in the mat, preventing it from being walked onto other floor surfaces, whilst the low profile PVC edging sits flat on the floor preventing a trip hazard. Solution dyed to prevent fading, the Ribbed Mat is easy to clean and dries quickly. Available in three standard sizes, this mat can also be custom made to your requirements.

**\$79.30**

900 x 1500

- Effective and economical mat for medium traffic entrances
- Coarse fibres scrape dirt and debris from footwear
- Attractive bi-level construction traps dirt
