## SAVE A MINIMUM OF 30% ON ANNUALISED PAPER CONSUMPTION & COSTS

The RapidClean Autocut Hand Towels are a market leader in both performance and innovation.

Portion control single sheet dispensing will reduce paper use & costs by over 30% & eliminate cross contamination (as the paper you touch is the paper you use).

### WHEN YOU USE AUTOCUT HAND TOWEL ROLLS LESS MEANS MORE!

Less sheets are used, fewer roll changes, less labour is required & less waste is created.

This is the only product to save you cost on a sheet for use basis & also reduces environmental impact.

### ALSO AVAILABLE IN BLUE:

Blue hand towel is recognised internationally as "Best Practice" in the food industry as it is instantly recognisable amidst food products. Safeguard your workplace against contamination & damaging customer complaints by utilising the RapidClean Autocut.
