## SEPTONE PACIFIC BREEZE

PRODUCT CODE: **HSPB5 & HSPB20**

### Antibacterial Cleaner and Odour Control

Pacific Breeze contains a fresh high-performance masking fragrance and is designed to reduce unpleasant odours in waste disposal sites and bins, grease traps, septic systems and sewage treatment plants and areas requiring odour control. Unlike other masking compounds it contains a disinfectant to eradicate odour causing organisms, plus a biodegradable surfactant for multi-purpose hard surface cleaning, deodorising, and sanitising.

## SEPTONE TW20 TRUCK WASH

PRODUCT CODE: **ATTW5 & ATTW20**

**Heavy Duty Detergent | Ph Neutral | Non-Toxic | Biodegradable | Non-Caustic.**

TW20 Truck Wash is ideal for cleaning trucks, buses, trailers, car exteriors, upholstery, and boats, but it also cleans building exteriors, windows and most washable surfaces. TW20 can be used by manual application with a sponge, or through low pressure or high pressure spray equipment. Highly effective in removing dirt, mud, road grime, oil and exhaust soot. TW20 safely cleans paintwork, chrome, rubber, windscreens, fibreglass, aluminium, tarpaulins and vinyl. It will not promote rust or affect paint and, being freerinsing, will not cause streaking.

Each 20L

### Heavy Duty General Purpose Cleaner/Degreaser Concentrate

Supercleene is a heavy duty general purpose cleaner/degreaser concentrate possessing quick break properties. It's unique combination of biodegradable natural orange oil extract, anionic and nonionic surfactants and powerful builders combine to give excellent performance in almost any application. When diluted as recommended, it can be used for virtually any cleaning application, including degreasing, heavy duty vehicle washing, workshop floor cleaning and the cleaning of trawlers and oil rigs. The quick break property of Supercleene ensures that the emulsified grease and oil rapidly separate in a grease trap, allowing the resultant water layer (after pH post-treatment) to be drained to the sewer as treated trade waste.

## SEPTONE ORANGE SCRUB

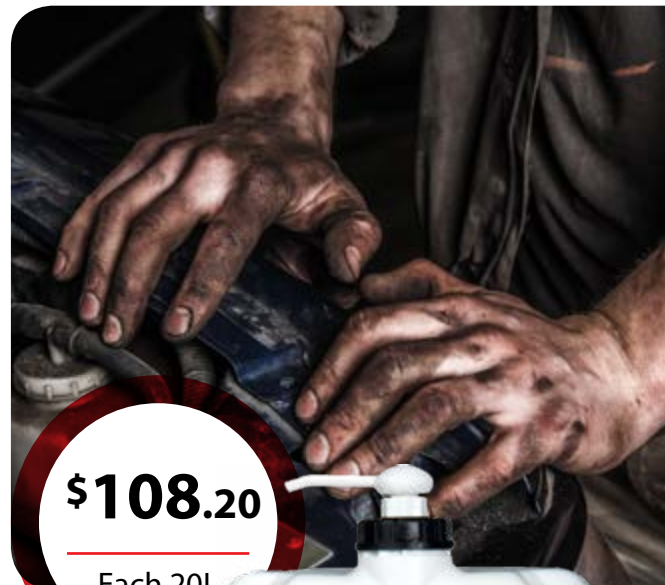

PRODUCT CODE: **IHO55 & IHOS520**

### Heavy Duty Hand Cleaner

Orange Scrub is a heavy duty hand cleaner containing high quality citrus oils and a fast working pumice abrasive. It is designed to remove most industrial soils including dirt, mud, dusts, coal dusts, oils, greases and solvents.

Orange Scrub contains no petroleum solvents and is pH controlled to more closely match that of the skin. This provides a high level of skin compatibility.

Orange Scrub also provides natural moisturizing and super-fattening to the skin through the incorporation of a lanolin derivative as well as Aloe Vera, vitamin E and jojoba oil. Orange Scrub contains a fine grade of pumice to gently remove ingrained dirt, without the harshness associated with coarser grade abrasives.

## NUMATIC WETVAC 27L DRY / 20L WET

PRODUCT CODE: **WV470**

**\$497**

Each

The WV470 provides a larger alternative, with twice the capacity of some other machines but to the same high-performance standard be it wet or dry. The folding handle design allows easy movement when in use, whilst being compact to store. Large rear wheels provide stability and make light work of obstacles during transit. The accessory kit provides tools for both wet and dry operation with stainless steel tube set as standard.

**Wet or Dry Professional** results in either mode. Accessories provided for both wet and dry use.

**Compact & Capable** Compact with a small foot-print the 470 provides an impressive 20L Wet /27L Dry capacity.

**Folding Handle** The transit handle makes life easy when you need it and folds away when you don't... simple!

**On the Move** Not everywhere will be flat and smooth, large rear wheels and directional castors make transporting the 470 easy, even when full.

### MERRI MAGIC FLOOR PAD

**40cm Diameter**

Merri Magic Floor Pads help erase stubborn dirt and scuff marks on smooth floor surfaces.

- Constructed from High Density foam to maximise cleaning performance and longevity.
- Keep floor surface lubricated with a surface appropriate cleaner and water to maximise pad life and cleaning performance.

# NUMATIC CARPET & UPHOLSTERY EXTRACTION MACHINES

## PRODUCT CODE: CT470

There really is nothing quite so useful as a small, compact CleanTec machine that provides the combination of a PowerFlo liquid pump supply and efficient wet pick-up facility... all incorporated in one unit. Mainly used in the cleaning of carpets and upholstery these machines can be equally effective on hard floors where there is a need for localized scrubbing and wet pick-up operation.

**All Purpose 3 in 1** - Wet, Spray extraction carpet cleaning and upholstery cleaning/ car valeting.

**Tank Within a Tank** - Simple, clean and efficient. This unique design allows an easy to fill and quick to change system.

**Compact** - Easy to store and always on hand, ready for anything.

**Professional and Powerful** - Long life professional TwinFlo bypass motor.

**On the Move** - Large rear wheels provide stability during transportation. The CT470 is equipped with a handy folding handle, great for moving, great for storage.

**Professional Accessory Kit** - Accessory kit incorporates stainless steel tube set.

**\$758**

Each

## PRODUCT CODE: CT570

**The 570 series has become the most popular contractors' extraction cleaner by choice... and this is not by chance, but by design.** The Structofoam 570 is built to the full TwinFlo specification and incorporating our Powerflo' pump and quick connect liquid system. The containers are also full Structofoam incorporating our unique "tank within a tank" system to maintain a compact and usable size.

**All Purpose 3 in 1** - Wet, Spray extraction carpet cleaning and upholstery cleaning/ car valeting.

**Structofoam Construction** - Heavy duty Structofoam used in both head and body construction.

**Nucable System** - Power cables can be changed without the need for an electrical engineer.

**Professional and Powerful** - Long life professional TwinFlo bypass motors.

**Tank within a Tank** - Simple, clean and efficient. This unique design allows an easy to fill and quick to change system.

**Professional Accessory Kit** - Supplied with carpet, upholstery cleaning accessories.

**\$1,571**

Each

## PRODUCT CODE: CTD900

The 900 is our largest machine to incorporate the compact "tank within a tank" design, allowing for use in confined areas. The CTD900 is a two-motored machine, incorporating our TwinFlo bypass motors and integrated Powerflo' pump system. The pump system injects the cleaning solution deep into the carpets in a continuous deep cleaning cycle and this bigger machine will cover an area more than three times that of our smaller machines, without the need for emptying, this is especially important in office blocks and high rise apartment blocks.

**All Purpose 3 in 1, Tank Within a Tank, On the Move**

**Structofoam Construction** - Heavy duty Structofoam used in both head and body construction. **Easy to Empty** - The unique tipper system incorporated within the chassis design allows for the machine to be emptied in floor drains or WC's where available. **Nucable System** - Power cables can be changed without the need for an electrical engineer. **Full Accessory Kit** - Supplied with carpet, upholstery cleaning accessories.

## ALPEN PALM LEAF TABLEWARE

Areca leaf plates are made from the naturally shredded leaves of the tall and beautiful Areca Palm tree. No pulp, no starch, just a washed and pressed leaf.

**COMPOSTABLE:** 100% compostable. Break down within 60 days

**BIODEGRADABLE:** Naturally biodegrades in fewer than 2 months after disposal

**RENEWABLE SOURCE:** Made only of fallen palm leaves that are gathered, cleaned and pressed

**HEAT RESISTANCE:** You can comfortably hold the bowl or plate of hot food without burning your hand!

**OVEN SAFE:** Can be used to cook food in oven up to 250 degrees for up to 45 minutes

**LIQUID SAFE:** Palm Leaf food ware is superior and is ideal for soups, curries or any other liquid foods

**MICROWAVABLE:** It's perfectly safe to heat plates in the microwave for up to 2 minutes.

## MATTEK CUSHION EASE SAFETY MAT

**PRODUCT CODE:**  
**CU35BLK**

Cushion Ease is a heavy duty, anti-slip, anti-fatigue mat used in demanding work areas. Its 50% nitrile rubber compound gives the mat extra longevity and is grease and oil resistant. The raised diamond pattern surface provides excellent traction when the mat is being walked on, and the holes in the surface allow for rapid drainage of any spilt liquids. The low profile design allows convenient and fast cleaning by brooming, mopping, hosing or wiping over, and the lightweight yet robust rubber allows easy handling for moving to clean after a shift. Gripping suction caps on the base of the mat keep the mat firmly anchored to the flooring it is being placed on. Bevelled edges on all four sides allow easy access on and off the mat for foot or wheeled traffic and they prevent trips on the mat. This mat is suitable for use in wet or dry areas with medium use where comfort, relief, traction and ease of handling and cleaning are required. **The mat comes in one size: 850 x 1450mm**

## MATTEK PRESTIGE ENTRANCE MAT

Prestige Mat is an attractive, hardwearing mat for medium traffic entrances. Constructed with a classy diamond patterned polypropylene surface and a heavy duty rubber backing. The raised, reinforced rubber border assists in trapping moisture and dirt from footwear whilst the mottled surface on the underside ensures the mat clings to carpeted or hard floor surfaces. The all-weather construction of the Prestige Mat makes it ideal for use both indoors or covered outdoors. Available in a popular charcoal this mat will enhance your doorways and help keep your floors clean and dry.

Prestige comes in four sizes:

450 x 750mm - **PSM3DCHL**

## SCOTCH-BRITE™ CLEAN & SHINE PADS

The Scotch-Brite™ Clean & Shine Pad shines the floor as you clean with it. With repeated use, your floors gradually achieve burnish-quality results without the extra step of actually burnishing.

Using a low-speed auto scrubber with just plain water or neutral cleaner, it effectively removes scuff marks faster than traditional floor pads and lasts significantly longer. So you can maintain a shining reflection with less time, effort and equipment.

Multiple sizes available Scotch-Brite™ Clean & Shine Pad
